DOUG NEIL

Doug Neil has combined his considerable skills on the mound, with a personable teaching style that has resulted in his serving as a valued mentor and coach to a lengthy list of accomplished young pitchers.

Doug was born and raised in Tara and initially played baseball (catcher). He grew up watching Bill Underwood pitch, which may have been the motivation for Doug to start toeing the rubber. At age 17, he pitched for Allenford Int. "C" team and advanced to Intercity Fastball League for Waterloo CHYM'rs.

After his playing days he began coaching Wingham Int. C and Juniors (OASA title) and helped organize the Bluewater Fastball League. Doug learned about teaching pitching from famous US pitcher and clinician, Herb Dudley. Doug assists more than 300 pitchers annually throughout Canada and as far away as Florida and Australia. Many pitchers he has helped have advanced on scholarships in the US or at high competition. He became involved in the Canada Games program as a pitching coach for Team Ontario boys (1993), assistant coach (1997) and head coach (2001).

He was a pitching coach for Team Canada Junior Men's team in 2005 at the Worlds and assisted the Bridge To The Future program in the ISC tournaments in Kitchener in 2006 and 2007.

Doug graduated from University of Waterloo and also taught Math at FE Madill SS in Wingham for 33 Years.
